

SCHULTZ HONEY & WAX INC.

303.425.1896
6625 Pierce St.
Arvada, CO 80003

Estimate of Cost

Schultz Honey & Wax Inc. ("Schultz") estimates the cost of removing honey bees from their current location at the premises, _____, at \$ _____ to \$ _____. This estimate is based on the information provided by you _____, as to the length of time the honeybees have lived in this location as well as a preliminary examination of the site. In the event presently unforeseen conditions present themselves the actual cost may be higher than this estimate.

One Year Guarantee

Schultz guarantees that honeybees will not move back into the same location for one year from the date of removal. This guarantee applies only to labor costs and not cost of materials, if any. There is a small chance of reoccurrence at a location fairly close to the removal site. We do not guarantee any other site against new move-ins.

Release of Liability

Client gives Herman and Connie Schultz a general and complete release of any and all liability for any damage of whatsoever kind or nature which may be caused in removing the honeybees from their current site and am aware that boards, dry wall, and/or shingles may have to be removed in order to gain access to the honeybees. Any cost incurred by client to repair the site and the surrounding areas shall be the sole responsibility of the client.

Customer authorizes the removal of the honeybees from their current site and agrees to pay for the same consistent herewith upon completion of the honeybee removal.
